

## **King of the Micro Trading Survey**

1. How long have you been trading?

Traded Demo for Four Months and Live for a month and half

2. How did you start trading?

Somebody introduce it to me, by showing me your website and others

3. What are your favorite sources for news and/or your favorite technical indicators?

I do visit babypips.com. But mostly use Discretion/ technical indicators such as RSI

4. What pair do you prefer to trade?

GBP/JPY GBP/USD GBP/CHF

5. How long do you typically hold your trades?

One to Four hours

6. How much time do you spend trading every day?

Average of five hours

7. What was your most successful or memorable trade, and what was your most unsuccessful trade?

The first day I started live trading I lost all my money and refunded my accounts.

On June 30<sup>th</sup> I made over \$1,300 compared to average of \$250 I have made throughout the month.

8. What do you think your greatest weakness is as a trader?

So far I think everything is fine

9. What one thing did you do or learn that pushed you over the top?

I read testimonies of people who have made it through forex trading

10. What kind of personality do you think you need to trade forex successfully?

Well I have been able to cope with some few loses and brace up myself when things are going bad. So I am OK.

11. What do you think about forex vs. equities? Have you traded equities? Why do you trade forex?

Knows very little about equities

12. How has trading changed your life?

It has given me hope in life

13. What advice would you give to a new trader?

Shouldn't over leverage, but appreciate little profit at a time
